

# THE SUN.

WEEKLY, SEMI-WEEKLY & DAILY

THE WEEKLY SUN is too widely known to require any extended recommendation; but the reasons which have already given it fifty thousand subscribers, and which will, we hope, give it many thousands more, are briefly as follows:

It is a first-rate newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always presented in a clear, intelligible and interesting manner.

It is a first-rate family paper, full of entertaining and instructive reading of every kind, but containing nothing that can offend the most delicate and scrupulous taste.

It is a first-rate story paper. The best tales and romances of current literature are carefully selected and highly printed in its pages.

It is a first-rate agricultural paper. The most fresh and instructive articles on agricultural topics regularly appear in this department.

It is an independent political paper, belonging to no party and wearing no collar. It fights for principles and for the election of the best men to office. It especially devotes its energies to the exposure of the great corruptions that now weaken and disgrace our country, and threaten to undermine republican institutions altogether. It has no fear of knaves, and asks no favors from their supporters.

It reports the fashions for the ladies and the markets for the men, especially the cattle-market, to which it pays particular attention.

Finally, it is the cheapest paper published. One dollar a year will secure it for any subscriber. It is not necessary to get up a club in order to have THE WEEKLY SUN at this rate. Any one who sends a single dollar will get the paper for a year. We have no traveling agents.

The Weekly Sun. Eight pages, fifty-six columns—only \$1.00 a year. No discount from this rate.

The Semi-Weekly Sun.—Same size as the Daily Sun. \$3.00 a year. A discount of 30 per cent. to clubs of 10 or over.

The Daily Sun.—A large four-page newspaper of twenty-eight columns. Daily circulation over 120,000. All the news for 2 cents. Subscription price 50 cents a month, or \$5.00 a year. To clubs of 10 or over, discount of 30 per cent. ADDRESS: "THE SUN," New York City Nov. 15, 1873-w6

**THE MANHATTAN Spring BED and Combination MATTRESS.**

P. J. KISTLER, POSTMASTER OF WEISSPORT, has been appointed Agent for Lehighton, Weissport and vicinity to give our citizens a chance to see and test the merits of the arrangement of springs. He is willing to put them on trial for any person for one week, and if they do not prove superior to the Woven Wire Mattress, Putnam, Yankee, Norfolk, Wright, Springfield, Howe, Tucker, Eureka, Munroe, Imperial, United States, Walker, Continental, Eagle, Salem or any of the one thousand and one Spring Beds that have been put upon the market, you are not asked to buy it. The above named beds have been discarded to make room for the improved. It has no hiding place for bugs, has no slats on top of the springs, but heavy duck canvas, hooked at the base of the spring, that may be taken off and the slats removed (for cleaning or otherwise,) by anybody in five minutes and replaced at pleasure. The springs may be changed to other portions of the bed with very little trouble. The springs are warranted to keep place and last longer than any other in use. For invalids it cannot be surpassed. He fits them to any bedstead or different weight of persons, the largest number under the heaviest part of the body, and with a light covering of husks, cotton, straw bed, or hair mattress, they adapt themselves completely to the body. The ladies should call and see the arrangement of springs for the cradle, and not have to use feathers in warm weather. They are better than soothing syrup or cordials for the little ones. The springs are made from the very best cast steel from the celebrated Sheffield works of England. Come one and all and see them. These beds have been fully established in twelve different States. The Furniture men are especially invited to call and examine these beds. Beds put upon trial and no one asked to purchase until after a fair trial.

**Z. H. LONG.**

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sadorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Distress, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Gout, Scrofulous Inflammations, Indolent Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiating Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blisters, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scourf, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiating Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
